WHO WE ARE

Strategic Solutions Consulting Global is committed to providing high quality business & leadership education that promotes the development of scalable and sustainable businesses across Africa and the Diaspora.

Our transformational events, programs, trainings and courses have left an indelible impact, providing thousands of women with Personal Branding & Business Development strategies for business scale and success.

FOUNDER & CEO

For over 10 years Nancy Taiye Aragbaye has designed, developed, and implemented transformational executive leadership & business trainings to help organizations & managers thrive across various industries.

As a Personal Brand Strategist & Transformational Leadership Expert, Nancy is tasked with identifying the areas of growth within organizations & individuals and providing leadership development to accelerate your impact.

WHY LEADERSHIP?

Studies show that quality leadership & innovativeness have a positive effect on business & organizational performance. This is why Strategic Solutions Global seeks to develop strong leaders across business industries.

It is essential to not only focus on the development of leaders across various sectors, but to intentionally build spaces that support inclusivity & gender diversity. Africa & the Diaspora need women leading effective businesses.

WHY THE LEADHERSHIP RETREAT?

The LeadHERship Retreat is designed for Black Women across the globe who are advocates and champions for driving social impact and change. The LeadHERship Retreat is a space for elite women of the black community to be in a space of deep self reflection, healing and inspiration. Together, women from across the globe participate in service projects, professional development and activities that promote vulnerability & connection. We understand that the strength and unity of Black Women has the potential to change the world. Women will leave forming authentic bonds and strategies for positioning their Personal & Business brands for global domination.

THE LEADHERSHIP EXPO

We end the LeadHERship Retreat with our culminating activity, The LeadHERship Expo. The LeadHERship Expo is an empowering conference with both physical and virtual attendance. This year's Expo will be a formal GALA where we will honor amazing change agents with the LeadHERship Impact Award. The GALA is set to have 200+ physical attendees and 5,000+ virtual attendees. Participants of the Retreat will have the opportunity to serve as speakers of the GALA to further position their brand globally. Strategic Solutions seeks to ultimately create a global coalition of black women who are ready to Lead Change!
